

MIGRATION AND EDUCATION ALLIANCE OF AUSTRALIA

## **ME ALLIANCE MAXIMS**

As the alliance of all members of the migration and education industry of Australia, we aim to achieve equal participation and involvement of Registered Migration Agents, Education agents and regulating bodies to help increase mutual respect among all industry stakeholders. ME Alliance aims to create a space for dialogue where everyone appreciates each other's concerns as well as points of view. Our sole purpose is to uplift the overall image of the profession and create a positive environment to foster harmony. In order to do that:

- ✓ We will be working for a common cause, eradicating misunderstandings and differences.
- ✓ We will create an atmosphere of appreciation for everyone's contributions to help the industry grow and Australia prosper.
- ✓ We will represent educational agents, migration agents, educational institutions, international students and migrants and help address their concerns.
- ✓ Our actions will be guided by knowledge, ethics, professionalism and achievements.
- ✓ We represent members from the migration as well as education industries, fight for their common and/ or different interests and propose mutually beneficial alliances, processes and solutions.
- ✓ We will communicate with all stakeholders of ME Alliance in an ethical and respectful way, hear their demands, challenges and desires and do our best to address them and intervene with the regulating bodies and authorities.
- ✓ We will direct all our actions to the union of the migration and education industries and not to conflicting interests.
- ✓ We will act on behalf of our stakeholders professionally and ethically, mediating conflicts always aiming to achieve the most mutually beneficial outcomes.
- ✓ We will uplift the overall image of the migration and education industries in all our dealings with stakeholders.
- ✓ We will keep our stakeholders informed and up-to-date on the latest news on immigration and education in Australia.
